

Passo 1: Como adicionar o componente na utility bar do aplicativo Scribe

1 A partir do Setup, pesquise "App Manager" ou "Gerenciador de Aplicativos"

2 Click "App Manager"

3 Localize algum aplicativo do tipo "Lightning". São esses que permitem a customização de uma Utility Bar. No caso estamos usando o aplicativo de Sales

6 Click "Utility Items (Desktop Only)" ou "Barra de Utilitários (Apenas Desktop)"

The screenshot shows the 'App Settings' tab in the Lightning App Builder. The left sidebar lists 'App Details & Branding', 'App Options', 'Utility Items (Desktop Only)', 'Navigation Items', and 'User Profiles'. 'Utility Items (Desktop Only)' is highlighted with an orange circle. The main area is titled 'App Details & Branding' and contains two columns: 'App Details' and 'App Branding'. The 'App Details' column has fields for 'App Name' (Sales), 'Developer Name' (LightningSales), and 'Description' (Manage your sales process with accounts, leads, opportunities, and more). The 'App Branding' column has an 'Image' upload button, a 'Primary' color selector, and 'Org Theme Options'.

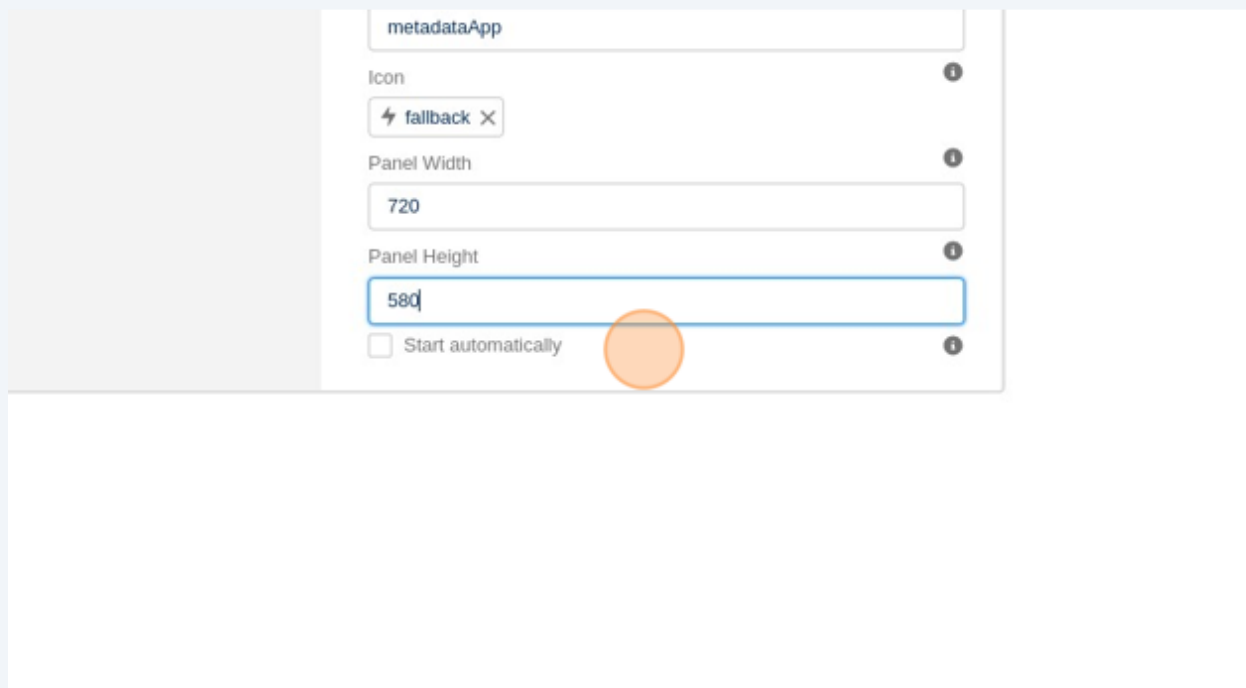

7 Click "Add Utility Item"

The screenshot shows the 'App Settings' tab in the Lightning App Builder, specifically the 'Utility Items (Desktop Only)' section. The left sidebar lists 'App Details & Branding', 'App Options', 'Utility Items (Desktop Only)', 'Navigation Items', and 'User Profiles'. 'Utility Items (Desktop Only)' is highlighted. The main area is titled 'Utility Items (Desktop Only)' and contains a description: 'Give your users quick access to productivity tools and add background utility items to your app.' Below the description is a button labeled 'Add Utility Item', which is highlighted with an orange circle. Below the button is a preview of a 'To Do List' utility item. To the right of the preview is a 'PROPERTIES' panel for the 'To Do List' utility item, which includes a 'Utility Item Properties' section with fields for 'Label' (To Do List), 'Icon' (task), and 'Panel Width'.

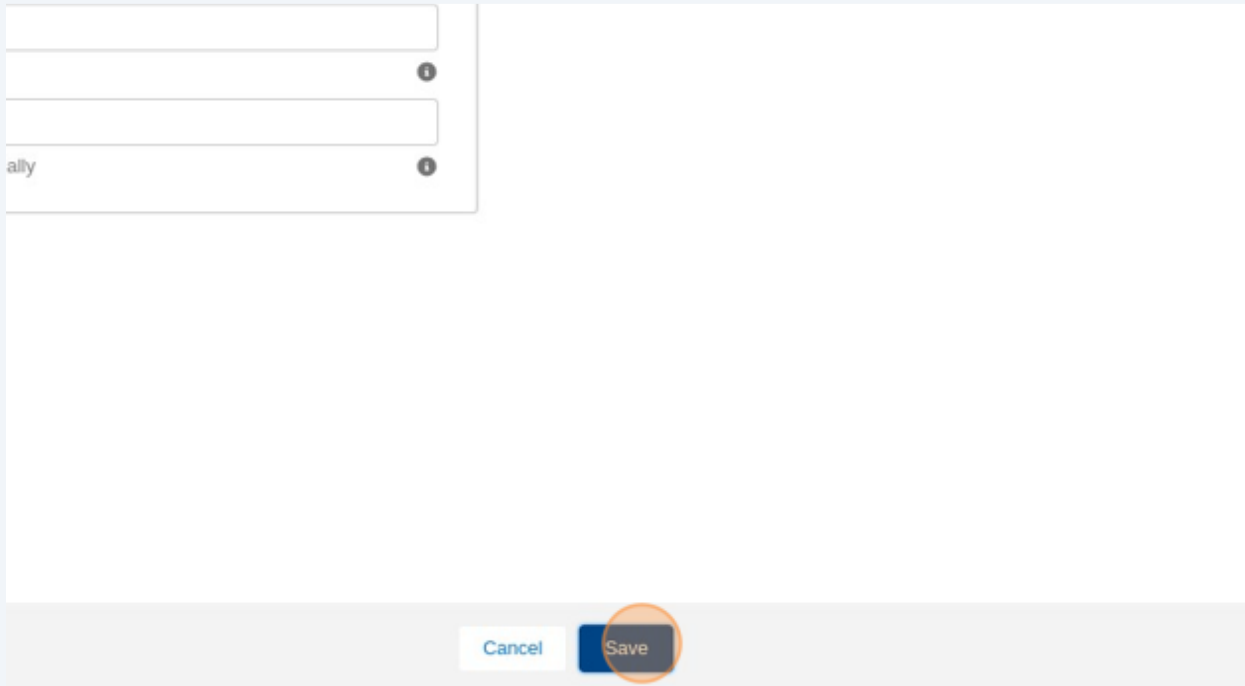

8 Logo abaixo da seção "Custom", selecione "metadataApp"

9 Escolha a largura e altura para o componente ser exibido. Você poderá abrir em uma guia separada a qualquer momento também.

10 Click "Save"

A screenshot of a web form interface. On the left, there is a vertical stack of three input fields. The bottom-most field is partially filled with the text 'ally'. To the right of each input field is a small, dark circular icon containing a white lowercase 'i'. The main area of the form is a large, empty white rectangle. At the bottom of the form, there is a light gray horizontal bar containing two buttons: a white 'Cancel' button and a dark blue 'Save' button. The 'Save' button is highlighted with an orange circle.
